

THE WORLD SQUIRREL

There are many powerful beings who travel through the planes, some whose origins are well-known and some who have existed since the very start of time.

Your patron is a force of nature who fears neither gods nor monsters. A strange fey beast, Ratatoskr lives within the branches of the World Tree and usually takes the form of an ordinary squirrel. Able to travel to any plane the World Tree touches, this ancient being gnaws upon its roots and has learned many secrets hidden away from prying eyes.

Although not a true god, Ratatoskr is often revered by those who follow old traditions and symbolized by the image of a squirrel holding the world within its paw. Perhaps you were born in one of these isolated villages or saved one of the World Squirrel's children in your youth.

Whatever the reason, Ratatoskr has taken an interest in your fate, offering you great power in exchange for... something in return.

EXPANDED SPELL LIST

The World Squirrel lets you choose from an expanded list of spells when you learn a warlock spell. The following spells are added to the warlock spell list for you. Additionally, when you use a higher level spell slot to cast *jump*, *blink*, or *freedom of movement*, you can affect an additional target for each spell level above the default. *Blink* has a range of touch when cast in this way.

ACORN POCKET

Beginning at first level, your patron grants you a personal pocket dimension that can hold up to 10 lbs of items. Only you can access this extradimensional space and you can stow or retrieve an item as an action.

SPEECH OF YGGDRASIL

Starting at first level, you can cast *Speak with Animals* at will, but are only able to communicate with tiny mammals.

SQUIRREL AGILITY

When you choose this pact at first level, your patron grants you the speed and agility of a squirrel. Your speed increases by 5 ft now and another 5 ft at level 10. You also gain a climb speed equal to your walking speed.

PACT OF THE WORLD SQUIRREL

When you choose your Pact at level 3, your patron grants you additional bonuses based on this choice:

A HARD NUT TO CRACK (PACT OF THE TALISMAN)

As an action, the wearer of your talisman can give themselves temporary hit points equal to 3 times your proficiency bonus. They have a +1 bonus to AC while any of these temp hp remain. This ability can be used a number of times equal to your proficiency bonus divided by two (rounded down) per long rest.

KNOWLEDGE OF THE WORLD TREE (PACT OF THE TOME)

Your patron adds two additional spells to your Books of Shadows. You can cast *Commune with Nature* (5th lvl) and *Speak with Plants* (3rd lvl) as rituals once each per long rest. To cast them again before resting, you must spend a spell slot of the appropriate level (or higher).

SCRATCH OF THE WERE-SQUIRREL (PACT OF THE BLADE)

Your hands grow claws that can be used as simple finesse weapons when your hands are free. When used, these claws count as additional pact weapons for you and are eligible for two-weapon fighting. On a hit, the target takes 1d4 + Dex mod slashing damage or makes a Constitution save against being poisoned (your spell DC) until the end of your next turn.

THE SCURRY CALLS FOR AID (PACT OF THE CHAIN)

When you select the Pact of the Chain, your patron grants you the option of summoning a fey ground squirrel as your familiar in addition to the normal options. This creature is often distracted by acorns and other nuts, but is a valuable ally in a fight.
